UPPER SOUTHAMPTON — HealthLink Dental Clinic's virtual fundraiser has raised more than \$20,000 to date, with additional donors expected to send contributions over the coming weeks.

The standalone dental clinic on Street Road provides no-cost preventive and restorative dental care to low-income working adults and military veterans. Services include oral examinations, X-rays, fillings, dental hygiene treatments, extractions, root canals, and patient education programs. The clinic offers its care Monday through Friday with evening hours on Tuesday and Thursday.

In 2019, HealthLink recorded more than 2,880 patient appointments, with 2,225 local adults receiving no-cost dental care. While last year's expenses were \$462,851, the value of those services was \$859,472.

“By all the measures we have looked at, this fundraiser was much more than a simple, once and done event. With the state of our world today, we have been overwhelmed by the community's generosity and genuine concern,” said Executive Director Raquel Braemer.

For information about donations or to volunteer, or about HealthLink's free services and how to apply as a patient, call 215-364-4247 or visit [healthlinkdental.org](http://healthlinkdental.org).
