Trivia Night Fundraiser To Benefit Local Charity

October 12, 2015

Raquel Braemer
Director of Institutional Advancement
rbraemer@healthlinkdental.org

(Southampton, PA) You don't need to be a Jeopardy junkie or titan of trivia to join HealthLink Dental Clinic for their Trivia Night Fundraiser on Friday November 6th at 8pm!

The community is invited to gather friends, family, and colleagues for an evening of friendly competition on topics ranging from sports to pop culture to current events and everything in between. The charity event will be held at Ann's Choice off Street Road in Warminster.

Teams are made up of 10 people at a table, and individuals are not singled out. If you don't have a full group of 10, you can be matched with another group upon arrival.

Registration is \$25 per person, and the evening will feature four rounds of trivia fun, free snacks, a cash bar, and a basket raffle. Donated items to be included in the basket raffle include Alex & Ani bracelets, passes to local attractions, hand-painted wine glasses, gift cards to local restaurants, and much more.

Pre-registration is recommended as seating is limited. Sign up at <http://tinyurl.com/TriviaNight15> Visit HealthLink Dental Clinic's Facebook page for updated information about basket raffle items, sponsors, and practice trivia questions: www.facebook.com/HealthLink1

The Trivia Night Fundraiser has been supported by local businesses through corporate sponsorship. Current sponsors include First Federal of Bucks County, Ann's Choice, Glenmede Trust Company, Abington Jefferson Health, Fenningham, Stevens, Dempster & Coval LLP, Impact Thrift Stores, and Fulton Bank. Additional sponsorship and donation opportunities are available, contact Raquel Braemer at rbraemer@healthlinkdental.org or (267) 699-0122 for more information.

All proceeds benefit the expansion of free dental services for adults at [HealthLink Dental Clinic](http://www.healthlinkdental.org). HealthLink's mission is to improve the overall health of qualified low-wage earning adults in Bucks and Montgomery counties by providing free preventative and restorative dental services and oral health education. More information about the clinic, eligibility requirements, and the services offered to patients can be found online at www.healthlinkdental.org
