Planning Underway for “Trivia Night” to Benefit HealthLink

July 27, 2015

(Southampton, PA) Planning is officially underway for HealthLink Dental Clinic’s Trivia Night Fundraiser to be held on Friday, November 6, 2015.

Staff, volunteers, and supporters will come back together for another exciting evening of trivia and friendly competition! The event will once again be hosted by Ann’s Choice in Warminster, and Sounds of Freedom DJ’s II returns to emcee the competition. Last year’s attendees had a wonderful time, and HealthLink is looking forward to bringing together more trivia teams, more baskets for raffle, and more fun.

The planning committee is looking for support from the community to bring the event to life! HealthLink needs additional volunteers to promote the event and collect donations for the basket raffle. Local businesses can support the event through various sponsorship opportunities too. Finally, groups of friends, family, or coworkers can collect items to donate a themed gift basket to be raffled at the event.

More information about the Trivia Night Fundraiser and how you can help make it a success can be found at:

All proceeds from the Trivia Night Fundraiser will benefit the expanding free dental clinic for low-income adults. The clinic’s mission was refocused earlier this year resulting in a new name, new logo, and new eligibility requirements. The free clinic now casts an even wider net to provide dental care for qualified adults.

HealthLink Dental Clinic is a nonprofit organization whose mission is to provide preventative and restorative dental services, along with oral health education, to contribute to the overall health of low wage-earning adults in Bucks and Montgomery counties. HealthLink is located at 1775 Street Road in Southampton. More information is available online at www.healthlinkdental.org.
